Visit Tsitsernakaberd Hill. During the second half of the day we will have a UNESCO tour in the region of Armavir with the Holy See of the Armenian Catholics being the first in the list. According to most scholars, it was the first cathedral (4th century), but not the first church, built in ancient Armenia, and is considered one of the oldest cathedrals in the world. Armenia’s patron saint Gregory the Illuminator had a vision of Jesus Christ descending from heaven and striking the earth with a golden hammer to show where the cathedral should be built. Hence, the patriarch named the church Echmiadzin (“the Descent of the Only-Begotten). Lunch and a tour in the cultural-educational center in Echmiadzin. Here we can enjoy Armenian delicious dishes and Armenian hospitality. Drive back to Yerevan with a stop at the church of the Guardian Angel - Zvartnots Temple (UNESCO) – 7th century.
